><p>Rikki is a woman!

Hi, everyone!

My name's Rikki Chadwick!

I'm a young woman who's also a mermaid. Sometimes people treat me like a little kid. I hate that!

I'm not five years old anymore. I'm a woman. I'm pretty much an adult. I drink alcohol and I have sex. I wouldn't do that if I were still a little girl. I don't want people to think of me as child. I'm a woman now. I can take care of myself. I don't need a mom and dad to tell me what's right and wrong.

Why can't all those fuckin' losers see that I'm a woman now?

I'm no freakin' kid anymore. I'm old enough to be in command of my own life. People should be able to see that I'm a woman. I don't want people to think of me as a sweet little girly-girl. I was never the perfect daughter. I've always been Rikki Chadwick.

I hate those who think of me as a five year old kid, but I'm not gonna cry. I'm a strong cool woman. I'm sexy and nobody can take that away from me.

You'll never see Rikki Chadwick cry you damn freaks!

You can call me a bitch, a slut a bimbo or a fuck-toy if you want to.
I don't care. You can't make me cry.

Nothing can hurt my famous Rikki-ego.

I'm a woman!

A strong, cool, sexy woman!

I'm not a stupid kid.

Don't think of me as a kid!

The only people I care about are my dad, my boyfriend Zane and my
friends Cleo and Emma.

I'm a woman!

See you next time!

Bye!
